As a result it is solden that a new face is seen in a local ring instead there has been a long series of return matches, off repeated, between towers of no standing much to the disgust of ringgers, who have not had as apportunity to see a high charabout in many months.

Giving guarantees instead of making the boxers work on a percentage basis is another reason why local busing is not an entreexist an it should be. Ap parently, this is a matter that concern only one clubs and phicemen, but I the long run the public suffers from the poor management of the purvey

There is plenty of room in New York for a hig club that will stare only the toggest attractions. But a certain amount of diplomacy and blainess ability is necessary to make it a surress. Local promoters are westuils lacking in these qualities, however, and they allow the hoxers to control them.

Ann Arbor, Sept. 25.-If there is such thing as safety in numbers. Yost should certainly be on the safe side when it comes to selecting a pair of ends for the 1914 'varsity. With the Michigan style of football the end position is the hardest place on the team to play right. There are, however, ten rble-bodied men out at present, each

ARE TIGERS LAYING DOWN? Accusation Made In Detroit. Reasons Given.

Detroit, Mich., Sept. 25,-The charge s made here that the Tigers are 'laying down" to the Boston Red Sox ir the hope that by handling them four games they will be close enough to the Athletics to make a fight for the peneant. The reason given is that the Red Sox are members of the baseball play ers' fraternity, while the Athletic steadfastly have refused to join it.

The charge first was made in a local newspaper, the story calling attention to the fact that Detroit had won ten o its just eleven games, beating Philadel two out of three and citing vari phases of inexplicable slum; against Boston.

Pitcher George Dauss is especially criticized for his work in the elevennning tie. Dauss was in good form in the ninth inning Monday it wa crowing dark and a pitcher with speed as batters at his mercy under such onditions. Yet four base hits in su

ession were made, which, with a wild pitch, let the Bostons tie the score, Yesterday the Tigers made the charge ook good by dropping two more games by lackadaisteal playing.
